

CAMP WEREDALE

R.E.A.L TEAM

Dear Applicant,

Thank you for your interest in our R.E.A.L. team program this year. It is shaping up to be a summer filled with fun and excitement for our campers. The program is based on the R.E.A.L., acronym with all members being expected to show and develop themselves in the areas of **R**esponsibility, **E**xpression, **A**wareness, and **L**eadership.

- **Responsibility:** Being responsible for yourself, the children in your care and work assignments.
- **Expression:** Self-expression, sharing ideas, opinions and values with others as well as creatively expressing yourself through various art activities.
- **Awareness:** An understanding of yourself, others, and the camp environment.
- **Leadership:** Being a role model and inspiring others to achieve their goals.

R.T.s will be at camp for all four sessions. The group consists of eight youths aged 16-17 years old. Each R.T. spends time working with younger children, working in the kitchen, on the waterfront, and assisting with camp activities and programs.

The R.T.s will develop as individuals and as a team through a variety of group activities. These may include: discussion groups, journal writing, conflict resolution skills, debating, and team building activities.

The team will reside in the Big Apple, a building with space for their team activities, separate from the campers.

Successful completion of the program will be acknowledged with a letter of recommendation and monetary compensation.

If you are interested in applying for the position of an R.T., please write us a one-page letter explaining your idea of the R.E.A.L. acronym and what it means to you. Share with us some ideas of what you would like to learn and how you could help make the program successful. Please complete the application form and send it with your essay as soon as possible to campweredale@hotmail.com.
